## Welshcakes

*Enjoy something  
a little special for your big  
day. Fabulous welshcakes  
that are handmade with love...*

*Our welshcakes are a truly unique wedding favour. Taste the difference. See the difference...*

Handmade with love, our welshcakes are individually made using the finest ingredients then griddled and packed for an absolutely perfect flavour and finish.

From flavour to shape, the choice is yours. Each wedding favour contains three beautifully presented mini welshcakes in a pretty cellophane bag. You can choose to have a sealed favour (to finish yourselves), add a hand tied ribbon finish, or choose a ribbon and card tag which can be hand written with the guest name (to form a place setting) or with the name of the couple and date of your wedding.

These aren't ordinary welshcakes, these are fabulous welshcakes. Call us on 07795 473 224 or email [sales@fabulouswelshcakes.co.uk](mailto:sales@fabulouswelshcakes.co.uk) and we will happily post you a free sample to see and taste.
