## Wedding Packages

*We know you want the perfect canvas for your wedding day.*

Our Wedding Packages cover the key elements you'll need and still give you choice to make your day uniquely yours (and they're priced at a generously discounted rate!)

You can choose your own caterers or providers, or use our excellent recommendations.\*

Turn over this page for the breakdown of each package and included items.

### WHICH PACKAGE IS BEST FOR YOU?

*How many guests do you want to invite?*

This will be key in working out which rooms you could use - the capacities for each room are on the next page.

*Which rooms did you love?*

Generally, weddings of up to 100 guests use our first floor, our Alpaca Package.

Weddings of up to 180 guests (350 for evening reception) generally go for the Belwarp Package with exclusivity of the venue, or the Lion Package.

For all weddings, you can have your ceremony and reception here, or just your reception if you're getting married elsewhere. We can also create bespoke packages for you.

### NEXT STEPS

We want you to feel absolutely confident about having your wedding at Victoria Hall, so if you haven't already, come and visit us. We'll discuss your plans, show you the venue and see how we could be a great fit for you.

We can provisionally save your date for 2 weeks (so you could bring friends or family along to see the venue too).

If you'd like to go ahead, a deposit of £500 will confirm the booking, with the balance due a month prior to your wedding.

There's more information in our wedding brochure or on our website: [www.victoriahallsaltaire.co.uk](http://www.victoriahallsaltaire.co.uk)

*With your own wedding coordinator and our friendly team with you every step of the way, we'll help you create the wedding you'll adore.*

All income goes back into running and maintaining Victoria Hall, keeping it alive for future generations.
