Are you looking for the perfect Norfolk venue for your wedding or event? Piggyback Barns offers our red brick converted barn with superb settings for weddings and events. Set on 500 acres of private estate you can be sure your picture opportunities are going to be exceptional.

Our function hall for your event comes as self-catering and does come with 4 stunning long oak tables which can be used as your top table or even as your cake and gift table. Also inside the hall it has a fully equipped catering kitchen, drinks fridge and toilet facilities.

Along with the venue hire can come our three elegantly and sympathetically converted barns for you and your guests to stay in over the weekend or week.

We have our very own in house event planner who is ready to help you with anything you may require assistance with; the cost for this is separate to the hire of the barns.
